Invitation for researchers in your institution to participate in the webinar on ACS Guide to Scholarly communication, Expert advice for Early career researchers on Wednesday, May 27, 2020, at 5.30 PM (UTC +7)

Dear Prof. B. Neppolian,

Greetings from ACS Publications!

On behalf of ACS Publications, I would like to extend a warm invitation to you, and the research fraternity at your institution to participate in a webinar organized by ACS publications on **May 27, 2020**. This webinar will provide an excellent opportunity for early career researchers in your institution to interact with our experts to understand the nuances of scholarly publishing.

Date: Wednesday, May 27, 2020

Time: 5:30 PM – 6:30 PM. (UTC +7)

Topic 1: Prashant Kamat – Effective presentation of Graphics in Scientific Publications.

Topic 2: Greg Banik – Best Practices for Communicating scholarly information for machine consumption

Registration link: <https://connect.acspubs.org/ScholGuideWebinar>

About our Speakers:

Prof. Prashant Kamat: Professor of Science, University of Norte Dame, Editor in chief of ACS Energy Letters.

Dr. Greg Banik: General Manager, Biorad Laboratories, Informatics Division.

All the participants will get a certificate of attendance.

Facebook & Twitter Competition (5 Lucky participants will win gift cards worth USD 25)

To maximize the outreach of information to the research community, we are also running a Facebook & Twitter competition for our participants. Participants who will share the registration link on their Facebook & Twitter profile along with a hashtag **#ACSGuideWebinar** and attend the webinar will be eligible for a lucky draw, and 5 participants will win gift cards worth USD 25.

Please note: There is no limitation on the number of participants from an institution, and the registration is on a first- come- first- serve basis.

We request you to kindly share the registration link with the researchers at your institution and encourage them to join this webinar to enhance their learning on the topics mentioned above with our experts. Please feel free to reach out to me in case you have any more questions.

Kind Regards,
